Application Notes

Please read the following information carefully before submitting your application:

1. All of the activities will be conducted in either Cantonese or English.
2. Once confirmed, the reservation cannot be cancelled. The teacher(s)-in-charge is/are required to attend a pre-lab meeting at least one month before the event date at our headquarter, Ho Yu College and Primary School to confirm the details of the event in order to prepare teaching materials accordingly.
3. Teachers-in-charge must ensure students follow the instructions of the MobileLab Teaching Staff and properly use lab equipment. If any equipment is damaged due to mishandling of students, the Program reserves the right to take necessary actions.
4. The Program staff will take photos during the event and send the photos to the teacher-in-charge. Photographs of participants will be used by the Program for educational or promotional purposes.
5. The Program reserves the copyright of all teaching materials. During the event, no voice recording, photographing or video recording is allowed.
6. Any change to the fees will not be notified in advance. Should you have any inquiries, please contact us before application.
7. In case of disputes, the Program reserves the right of final decision.
8. If the event is inevitably cancelled due to bad weather (i.e. typhoon or rainstorms), under normal circumstances, the Program will arrange a postponed date with the teacher-in-charge. The postponed date must be within 3 months of the original date. Arrangements under bad weather conditions can be referred to the following table (Note: cancellation of the event will depend on announcements by the Education Bureau) :

Weather Conditions	Arrangements
